## Education and Training

### Why Cairns!

World class, affordable education in a tropical paradise? Yes, Cairns can offer this. For students from primary and secondary school through to those seeking Vocational Education Training. Why not study at either of our two University Campuses offering a wide range of higher certificate and degree courses, including engineering, tropical medicine, science, law, business and computing.

### Vocational Training

For those who might like to become trade qualified or undertake pathway studies there are a number of Vocational Education Providers offering courses in nursing, construction, aviation, marine, science and business. Specialist training, qualified staff and an education that makes graduates 'employment ready' are all great reasons to study here.

There are also great education entry options for Primary and Secondary students at either public or private schools in Cairns. Students can either live with their own families, with homestay families or attend boarding school. For those who just want a taste of education in Cairns there are a number of study tour providers who offer language and cultural immersion options for shorter stays.

### Tropical Lifestyle

Multicultural Cairns is a safe and welcoming region with a tropical lifestyle. It has a similar

environment to many other Pacific countries in its natural surroundings; its markets; food types and laid-back lifestyle. It's easy to feel at home here in Cairns and its only 1hr 20 minutes flying from Port Moresby.

Many Pacific students already take advantage of the world-class education systems Cairns and Far North Queensland can offer, students, regard-less of age, have an amazing time in Cairns and have an opportunity to experience everything on offer here.

### International Students

Study Cairns is a Peak Body for International Education & Training in North Queensland - Study Cairns represents organisations, institutions and businesses dedicated to providing support to students when they are studying in the Cairns region. There is even a Cairns Student Hub located in the heart of Cairns providing students with a great meeting place to meet and interact with other international students and share your Cairns experiences.

While you are studying in Cairns you can take part in any number of tourism experiences, from high adventure activities to relaxing on our beautiful beaches, joining a sporting group or take advantage of some excellent year-round shopping bargains.

Access is through our international and domestic airports, which connect us directly to Papua New Guinea and Pacific Island nations, Asia, Europe and the rest of the world.
